CSD REGISTRATION REPORT

Identifier

CSD cannot electronically verify the identity of a supplier other than a South African Individual / Sole Proprietor (through Home Affairs) or a company registered at the Companies and Intellectual Property Commission (CIPC). For this reason, a disclaimer is displayed for supply chain practitioners to obtain supporting documentation to verify the identity and legitimacy of a supplier in these cases.

Bank

For help on how to resolve bank failures click here: I received an email stating the bank information I captured on the CSD was sent for bank account validation and could not be validated. The response received from the bank contains an error message.
The various possible error messages received from the bank are highSemiBolded in red. Search for the applicable message and follow the detailed steps associated with that error message.

Tax

Tax Compliance Status
For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: What should a supplier do if the tax status on CSD difference from the tax clearance certificate?

Tax Compliance Expiry Date
For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: How does CSD determine the tax compliance expiry date?

CIPC

Should the director/member information reflected on the CIPC registration report differs to that reflected on CSD for help click here: The active Directors/Members are not being populated on the CSD Directors/Members screen as they appear at CIPC, how can I rectify this?

State Employee

For more information pertaining to government employment status click here: Will there be verification done to identify if a supplier is a government employee?

BBBEE

CSD does not automatically verify all certificate information with the various accreditation bodies. Organs of State are required, where not automatically verified by CSD, to manually verify this information with the applicable accreditation body as per current policies and procedures. Expired certificate information do not reflect on the report.

RESTRICTION

Restricted Supplier *- A supplier is restricted by using the identification number of the entity e.g. CIPC registration -, trust -, Social Development non-profit -, South African ID -, Foreign company registration number or ID number. If there is more than one CSD Supplier profile registered on CSD with the same entity identification number, all those related supplier profiles will be restricted.*

Restricted Director *– A director/owner is an individual person and is restricted by using the South African ID or Foreign ID number. If a director belongs to different companies and has been restricted, the director will reflect as restricted in all companies where identification number is detected.*

Restricted Suppliers & Directors are listed on CSD under Help – Am I restricted?

The CSD does not automatically verify foreign company registration number, international securities identification number, foreign identification numbers, foreign passport numbers, work permit numbers, foreign bank accounts, B-BBEE, demographic and accreditation information. Organs of State are required to manually verify this information with the applicable verification institutions as per their current policies and procedures.
